## FOR IMMEDIATE RELEASE

## THE HUMANE SOCIETY OF NORTH TEXAS RECEIVES GENEROUS \$6,000 GRANT FROM THE ORPHAN KITTEN CLUB

**February 14, 2024 | FORT WORTH, TEXAS** – The Humane Society of North Texas (HSNT) is thrilled to announce the reception of a generous \$6,000 grant from the Orphan Kitten Club, a renowned non-profit organization dedicated to saving the lives of orphaned kittens nationwide.

This significant grant will bolster HSNT's ongoing efforts to provide essential care, shelter, and medical assistance to vulnerable kittens in need throughout the North Texas area. With a steadfast commitment to animal welfare, HSNT works tirelessly to save, shelter, protect, and advocate for thousands of North Texas animals each year, and this grant will further enhance their capacity to carry out this vital mission.

"We are deeply grateful to the Orphan Kitten Club for their unwavering support and generosity," expressed Destiny Vandeput, Director Communications at the Humane Society of North Texas. "This grant will make a profound difference in the lives of countless kittens who rely on our care and compassion. It will enable us to expand our resources and reach, ensuring that every kitten receives the love and attention they deserve."

The Orphan Kitten Club, founded by Hannah Shaw, widely known as the "Kitten Lady," is renowned for its advocacy and dedication to saving the lives of neonatal kittens, who often face the greatest risk in animal shelters. Through innovative programs, educational initiatives, and collaborative partnerships, the Orphan Kitten Club strives to create a brighter future for kittens in need across the country.

This grant comes at a pivotal time for HSNT as they enter into what's known in animal welfare circles as "kitten season," when unaltered cats begin to breed as the weather warms up. With the support of the Orphan Kitten Club and dedicated supporters alike, HSNT remains steadfast in their vision to build a community where pets and people save each other.
