The Humane Society of North Texas Receives Rachael Ray Save Them All Grant from Best Friends Animal Society to Help Save Homeless Pets

April 11, 2022, Fort Worth, Texas — The Humane Society of North Texas (HSNT) is pleased to have received a Rachael Ray Save Them All grant from [Best Friends Animal Society](#) for its transportation program to help save the lives of homeless pets living in North Texas.

“This grant allows the Humane Society of North Texas to include the expansion of our transportation of hundreds of pets, by finding partnering animal shelter who don’t struggle with pet overpopulation,” said Cassie Davidson, Director of Communications, Marketing, and Public Relations at the Humane Society of North Texas. “Our goal will be to transport 180 dogs and cats to shelters who will then find loving families. We appreciate the support of Best Friends Animal Society in making the expansion of our transportation program possible.”

The Humane Society of North Texas is an active partner in Best Friends Network which offers help and support to animal rescue groups and shelters that save lives in their communities.

“When you choose to adopt your next pet, you are becoming part of the solution right here in our community,” said Cassie Davidson.

The Rachael Ray Save Them All Grants is a grant program, administered by Best Friends and funded by The Rachael Ray Foundation™, that provides grants to shelters for euthanasia reduction initiatives. The Rachael Ray Foundation helps animals in need and is funded by a portion of proceeds from each sale of Rachael's pet food, Nutrish®.
