“The Humane Society of North Texas is incredibly thankful for funding from PetSmart Charities so we can provide the best care and medical treatment to pets in need, particularly senior pets who historically have a harder time being placed in a new home,” said Destiny Vandeput, Director of Communications for HSNT. “PetSmart Charities National Adoption Week plays a huge role in the success of placing pets of all ages with forever families and we look forward to seeing all the new families created this week.”

“National Adoption Week is an ideal opportunity to give a pet in need what they need most – people to love,” said Heidi Fulcher, Sr. Adoptions Grant Manager at PetSmart Charities. “Pets with special needs, such as those recovering from injuries or living with limb differences, trauma recovery or physical limitations make wonderful additions to families. These resilient pets have a lot to teach us about the joy and value of caregiving.”
