

PRESS RELEASE

THE HUMANE SOCIETY OF NORTH TEXAS ASKS THE PUBLIC TO CONSIDER ADOPTING PETS IN NEED DURING PETSMAK CHARITIES NATIONAL ADOPTION WEEK AND KITTEN SEASON

Adoption Events to Take Place at Local PetSmart Stores July 21-27

July 1, 2025, Fort Worth, Texas – During the dog days of summer, adopting a pet can add new energy to our lives while making a positive contribution to the community. The Humane Society of North Texas (HSNT) is proud to partner with [PetSmart Charities](#)® to bring adoptable pets to PetSmart Montgomery Plaza, PetSmart Lake Worth, PetSmart Ridgmar, and PetSmart Bryant Irvin in support of National Adoption Week, taking place July 21 – 27, 2025.

Each summer, animal shelters take in scores of kittens and cats during “kitten season,” following peak breeding activity for cats, and this year is no exception. Please join HSNT at our adoption event to spend time with adoptable pets of all ages, breeds, and temperaments in spacious areas to find just the right match. Adopting a pet saves more than one life. Every pet who finds a home frees up space for shelters to help the next animal in need. With staff and volunteers available to assist potential new pet parents, visitors can spend time with cats, dogs, kittens, puppies, and even small pets like rabbits, all of which are available for adoption. Adopting pets can help improve the health and wellness of people by reducing feelings of isolation and inspiring more active lifestyles. Caring for pets fosters values in children such as responsibility and selflessness.

[PetSmart Charities](#) connects adoption partners such as the Humane Society of North Texas with local PetSmart stores to bring adoptable pets in for meet-and-greets. These include pets of all ages, breeds, temperaments, and energy levels. Staff and volunteers are available to help make ideal matches, considering lifestyle and other preferences such as energy levels, personalities, and sizes.

“Support from PetSmart Charities allows us to extend our reach and impact in meaningful ways,” said Cassie Davidson, Senior Director of Communications, Humane Society of North Texas. “Last year alone, we facilitated thousands of adoptions across North Texas—connecting pets in need with loving families and creating healthier, more compassionate communities. Partnerships like this help us continue building a future where pets and people truly save each other.”

“Animal shelters and rescues are doing incredible work to save pets each day, but they can’t do it without the community’s support,” said Heidi Marston, director of Pet Placement Initiatives at PetSmart Charities. “Adopting or fostering a pet can be an incredibly enriching experience and is the best way to

support your local organizations. We all have a role we can play in helping pets in need, so please join us this National Adoption Week to show your support. We're proud to work alongside partners such as the Humane Society of North Texas, whose team makes meaningful connections, giving more pets in need people to love."
